Objective

I am a multimedia designer with over two years' experience in creating 2D and 3D content for videos, web, and games. I am eager to find a small team or studio where I can grow and continue to make digital media with creative people.

Experience

The NEXT (Jan 2021-May 2021)

Video Editor | <http://the-next.eliterature.org>

A combination museum, library, and preservation space containing 30 collections and over 3000 works of born digital literature owned or managed by the Electronic Literature Organization, an international arts organization.

- Conducted research and interviews.
- Worked closely with team leader to develop team workflow and assets for After Effects and Premiere Pro.
- Story boarded, animated graphics, and created captions to help create over 30 videos.

Interpolate (Aug 2020-Dec 2020)

Animator & Modeler | <https://vimeo.com/489362725>

A 2-minute character driven short film about 2 chess pieces trying to find their way back home.

- Modeled 3D assets, UVs, and environment in Maya. Created textures, materials, VFX, and lighting using Maya, Arnold, and Adobe CC.
- Contributed with storyboarding and animation.

Smart spa (Jan 2020-May 2020)

Motion Designer | <https://vimeo.com/510856570>

An explainer video and product mockup for a smart technology enabled shower unit.

- Used Adobe Illustrator and Photoshop to import and modify assets from team members.
- Created motion graphic video in After Effects and Premiere Pro to pitch the product.
