Innovative and multi-faceted digital artist with three years experience making 2D & 3D content for games, video, & web.

PROJECTS

3D Lead - January 2022

ParaSoul [/// cmdcstudios.itch.io/parasoul](http://cmdcstudios.itch.io/parasoul)

- Worked with leadership team on a unified game aesthetic.
- Mentored and advised junior members.
- Ensured all 3D assets were import-ready according to Unity workflow.
- Created game-ready assets in Blender and Substance Painter.

3D Lead - July 2021

Dead Air [/// dead-air-game.com](http://dead-air-game.com)

- Developed and finalized 3D in-game assets for Unreal Engine using Blender, Maya, Substance Painter, and Photoshop.
- Worked with development team to create asset creation workflow.
- Edited and composited game trailer.

2D Animator & Artist - June 2021

Huli [/// huli-the-game.com](http://huli-the-game.com)

- Illustrated 2D environmental assets in Photoshop for import and animation in Unity.
- Used in-game and custom assets to animate cut-scenes and trailer in After Effects.

PROFESIONAL EXPERIENCE

Videographer, Motion Graphics Designer

January 2021 - Present

The NEXT [/// the-next.eliterature.org](http://the-next.eliterature.org)

"A combination museum, library, and preservation space containing 30 collections and over 3000 works of born digital literature owned or managed by the Electronic Literature Organization, an international arts organization."

- Conducted research and interviews with international artists and organisations.
- Worked closely with team leader to develop team workflow, templates, and assets for After Effects and Premiere Pro.
- Story boarded, animated graphics, and created captions to help create over 50 videos.

GTMA

[/// gtma.agency](http://gtma.agency)

"GTMA is a full-stack digital marketing agency, production studio, and creative community focused on telling world-changing stories and building community. We work with clients all over the country and specialize in creating captivating visual content to attract engaged audiences that convert. At the end of the day, GTMA is an agency of storytellers."

Developed videos and animations for real-estate and general marketing clients using After Effects, Premiere Pro, Blender, Photoshop, and Illustrator.
